

The National Council for Science and Technology of the United Mexican States (CONACYT) Fellowships:

UB is proud to present its partnership with [El Consejo Nacional de Ciencia y Tecnología \(CONACYT\)](#) in Mexico. This agreement grants fellowships for Mexican graduate students to study at UB in addition to providing students with teaching or research assistant positions that include a stipend.

While both UB and CONACYT offer a wide variety of student scholarship opportunities, this agreement provides a unique opportunity for Mexican graduate students to enroll. Tuition, health insurance and a monthly stipend will be provided throughout the duration of the fellowship. In addition, UB is committed to providing top quality service to its CONACYT Fellows throughout the application, selection and admission process.

The following UB Doctoral programs participate in the CONACYT partnership:
